

HOUSING COOPERATIVES: CONTACT SHEET

Co-op List, 4 pages

The Northern Alberta Cooperative Housing Association (NACHA) offers public information sessions to assist you in understanding the co-op housing membership process. Please phone 780-482-6128 for information. Each Housing Co-op listed below is a separate and independent organization. Thus the procedures for becoming a member and the rules for things such as pets, gardens and household improvements will vary from co-op to co-op. Contact the co-ops you are most interested in, by phone or by mail, and they will let you know whether they are accepting membership applications and the steps you must take to become a member. There is an average 1 year to 3+-year wait for co-op housing.

Bold listings indicate membership in the Northern Alberta Cooperative Housing Association & Cooperative Housing Federation of Canada. NACHA's Website is www.nacha.ca. "P" indicates the operating agreement that the co-op has with CMHC.

Please Note: NACHA publishes this list as a service to the co-op community in northern Alberta. The individual housing co-ops provides information for the list. Some changes inevitably occur after publication. NACHA apologizes for any errors or omissions.
