This workshop provides board training beyond the introductory governance, management, and legal responsibilities of being on a Board of Directors of a Housing Co-operative. You will learn how to see governance as leadership framework and how to apply the 3 vital modes of governance: strategic, generative, and fiduciary.

Topics Covered
- Differentiation between fiduciary, strategic, and generative modes of governance
- Maintaining Momentum after Board Meetings
- Addressing Member Concerns: Complaints, Breaches, & Terminations
- Personal Bias and Conflict of Interest
- Strategic Planning
- Building Community
- And more....
