

# BRINGING PEOPLE TOGETHER BUILDING YOUR COMMUNITY TOOLBOX

Part Two of the workshop will pick up from where we left off on April 23. We will dive into tools around topics like asset mapping, how to host meetings and how to communicate.

Come prepared to talk, share and play as we work through practical tools.

**Important:** Please note that prior attendance of Part One which took place on April 23 is not essential for you to understand the tools that will be discussed during this workshop.
