## LEADERSHIP IN TIMES OF CHAOS: LEVERAGING YOUR TEAM'S STRENGTHS USING PERSONALITY DIMENSIONS

Navigating the dynamic world of board and committee leadership is no small feat, especially with volunteer dynamics, term limits, and the wild ride of group interactions. Throw in a sprinkle of global pandemic chaos and a dash of housing crisis drama, and you've got yourself a leadership cocktail that needs some serious shaking up!

But fear not, intrepid leaders! It's time to equip yourselves with fresh tools to conquer today's board/committee challenges. Get ready to dive deep into your own leadership style and understand your team better than ever before.

FACILITATOR: SONIA BYRNE
